Satellite Broadcast and Webcast

Offered Twice at

9:00 - 11:30 AM and 12:00 Noon - 2:30 PM ET

PLEASE ADJUST TIMES FOR YOUR TIMEZONE

This live satellite broadcast and webcast will provide up-to-date information on the rapidly changing field of immunization. Anticipated topics include influenza, rotavirus, varicella and zoster vaccines; a discussion of the safety of thimerosal-containing vaccines; and other emerging vaccine issues. The 2.5-hour broadcast will occur live from 9:00 to 11:30 am and will be re-broadcast that day from 12:00 noon to 2:30 pm (Eastern Time). Both broadcasts will feature a live question-and-answer session in which participants nationwide can interact with the course instructors via toll-free telephone lines.

Goal

To improve immunization practices in the United States.

Objectives

After this program, participants will be able to:

- List two recent immunization recommendations made by the Advisory Committee on Immunization Practices (ACIP).
- Describe two emerging immunization issues.

Intended Audience

Physicians, nurses, nurse practitioners, physician assistants, DoD paraprofessionals, pharmacists, health educators and their colleagues who either administer vaccines or set policy for their offices, clinics, communicable disease, or infection control programs. Both private and public healthcare providers, including pediatricians, family practice specialists, residents, and medical and nursing students.

Webcast Information

Each broadcast will have a [live webcast](#). The webcast will be available through the Internet for one month following the broadcast and can be found at <http://www2a.cdc.gov/phtn/webcast/immup-2007>.

Presenters

William L. Atkinson, MD, MPH, Donna L. Weaver, RN, MN, and Andrew T. Kroger, MD, MPH, National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention and other guest experts.

Registration Information

To register to attend the broadcast at a specific location, or to search for available locations, visit the *CDC/ATSDR Training and Continuing Education Online System* at <http://www2a.cdc.gov/phtnonline>.

Site registration begins on June 14, 2007.

Individual registration begins on July 12, 2007.

For questions about registration, call **800-41-**

TRAIN or e-mail ce@cdc.gov. **Note: You do not need to register to participate in the webcast.**

For additional questions regarding program content, please e-mail nipinfo@cdc.gov.

Course Numbers

- Satellite Broadcasts
 - SB1197 -- 9:00 to 11:30 AM ET
 - SB1198 -- 12:00 to 2:30 PM ET
- Webcasts
 - WC1197 -- 9:00 to 11:30 AM ET
 - WC1198 -- 12:00 to 2:30 PM ET

Continuing Education (CE) Credit

Continuing Education will be available at <http://www2a.cdc.gov/phtnonline>.

You must register for CE credit using this online system and then complete the course evaluation.

Continuing Education for this activity will expire on September 10, 2007.

For full accreditation statements, including information about pharmacy credit, go to the [program website](#) after July 12.

Self-Study After the Broadcast

This program will be edited and made available as a self-study program 4 to 6 weeks after the broadcast. It will be available as a DVD and in an Internet-based format. Check back in September at the NIP website at <http://www.cdc.gov/nip/ed> to learn more about obtaining these materials.

Satellite Technical Specifications

Each broadcast will be available on C and Ku-bands. Coordinates will be available at the [program website](#) the week prior to the program.
